Draco can be described as a grand-scale spa designed for a couple of people just as well as a spacious spa for a small family of three. Draco meets the criteria for both uses while it can be fit even into existing interiors. In addition to the two popular loungers, Draco offers a seat with a jet set for a Turkish massage and one spare place. Its equipment includes a multifunctional Rainbow Light and a Pillow Jet for neck massage.

Standard connection – 400 V/50 Hz, circuit breaker 16 A,
 Current protector In = 0.03 A
 230 V, 32 A connection is possible upon request.
